AGENDA

September 14, 2015 - 7:00 PM: Monthly Town Board Meeting

Location: Oak-Land Jr. High, Cafeteria, 820 Manning Avenue North, Lake Elmo

I Public Hearings

- A. To consider adoption of an amendment to the zoning provisions of the West Lakeland Code. The proposed amendment would add section 8.17 to the code which sets performance standards for renewable energy systems (including solar energy systems) proposed to be constructed in West Lakeland Township.
- B. To consider a building variance request by Priscilla K. Thill, 13274 24th Street N. to allow construction of a garage/outbuilding on Lot 10, Block 1, Artisan, (a 3.68 acre lot) 1320 square feet in size and closer to the street than the residence.

II Donald Theisen - Director, Public Works Department

Discuss Washington County's role in land use issues and official controls

III Approval of Minutes - Monthly Town Board Meeting – August 3, 2015

IV Treasurer's Report
